# REPORT OF JANUARY 2024

## CHRISTMAS CELEBRATION

# Subsai

Three cultures met at the Christmas celebration held by the Love Papua Centre at the Subsai Prayer Tower. All with different backgrounds of life yet united in the excitement of the Christmas event held on 5 January 2024. Love Papua center gave a new colour to this Christmas event, in so much as the indigenous people of the Arfak Tribe who came from the mountains presented praise in their language (Hatam language) and their traditional dance "Tumbuk Tanah" accompanied by their traditional praise. The Nativity drama performed by the "Tibes group" added to the festive atmosphere.

The highlight of the celebration was the Christmas sermon preached by Rev. Dr. Suzette Hattingh. Wow...we saw the joy of Christmas on the faces of everyone present. About 1000 people, including children, came to this Christmas celebration.  
Praise the Lord
