

REPORT

MARCH 2024

Love Papua Center

Love Papua - Suzette Hattingh Ministries

Rev. Dr. Suzette Hattingh

ISRAEL

Praise the Lord, Rev. Dr. Suzette Hattingh was invited to visit Israel from March 19 – 22 2024.

During this time, she had the privilege to visit many locations in Israel and had a truly remarkable experience to pray for the Nation.

Rev. Dr. Suzette Hattingh

SOUTH AFRICA

On March 28-30th 2024, Rev. Dr. Suzette Hattingh Ministered at the Easter Celebration gathering in Durban, South Africa. She will be conducting a ministry tour called "Trumpet Call" in South Africa during the months of March and April. Let us continue to support her in our prayers.

River of Life

SEMINAR

Hallelujah! It is a great joy for the Love Papua Center team to be involved in the Prayer Tower in Subsay. A joy that is inseparable from our gratitude to God for being with our ministry through the Love Papua Center.

The preparations took place for the event on Friday, March 15, 2024. Preparing meals for the seminar participants and children's ministry bring us great joy.

The seminar led by Pastor Tonny Sampara focused on the theme of "Blessings through Obedience." Attended by 112 adults in the seminar, and 50 children took part in the children's program held simultaneously. The enthusiasm of the participants could be seen in the question-and-answer session, with many asking questions and receiving clear and fulfilling responses.

Serving God is truly wonderful, and we are grateful for the prayer support that made this ministry event possible.

School MINISTRY

All glory and honor to God!

We are eternally thankful for the blessings God has provided for us.

During March 2024, God once more opened the doors for us to minister to school students in Manokwari City and SP, Manokwari. School outreach programs took place every Friday and Saturday. Due to the two different locations and the long distances involved, the Love Papua Center team split into two groups to reach the schools being served.

During this month, Love Papua Center's school ministry in Manokwari City has impacted 1,158 students from 4 schools in Manokwari City and 3 schools in the SP area of Manokwari. The Love Papua Center team is truly grateful for the trust given by the schools to serve these amazing students in Manokwari, West Papua. Our hope is that through this collaboration, we can help shape the character and mindset of these students, enabling them to achieve success in the future by having the character of Christ and possess a strong foundation of knowledge. May Jesus bless them abundantly!

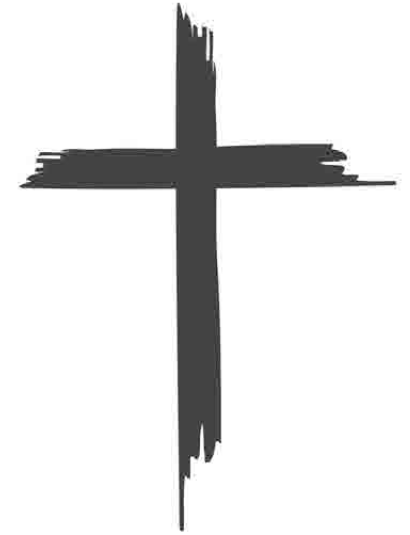

CHILDRENS MINISTRY

Praise God for His presence in our ministry throughout March 2024. Love Papua Center has blessed 1,214 children this month.

Our children's ministry covers 7 different areas – 4 neighbourhoods in Sanggeng area, 1 in Swaven Bahari, 1 in Pasir Putih, and 1 in Subsay. Each area also conducted tutoring sessions, which were divided into various classes. Education plays an important role in shaping the character and growth of children.

To commemorate Good Friday and Easter, we organized fun games that the children received with great joy.

THANK YOU

We would like to express our gratitude to the ministry partners of Love Papua Center who persistently believe in and generously contribute to and support the outreach ministry in West Papua.

*T*ogether for the harvest
