

REPORT OF
December 2024

The Love Papua Centre team had the opportunity to have a break in December 2024. The ministry activities this year ended on 15 December 2024. Resting physically for a moment after 1 full year of serving God's people in various areas and fields was very welcome.

The Children Ministry, Prison Ministry, School Ministry, Youth Ministry, and Outreach Ministries are the ministries carried out by the Love Papua Center team. God's provision is always tangible and good for the team.

In December 2024, the ministry team together with Rev. Dr. Suzette Hattingh fulfilled several Christmas invitations. Enjoying the Christmas moment together and knowing that Christmas is not just a celebration but a moment to welcome the birth of the King.

We are grateful for God's provision and guidance throughout 2024 so that the Love Papua Centre team can continue to serve and reach out to God's people in Papua. May all things that have been done be a fragrant incense and glorify the name of the Lord.

Children's

CHRISTMAS CELEBRATION 2024

The 2024 Children's Christmas Celebration was held in two different locations at different times, on 2 December 2024 at the Sanggeng District Office and on 3 December 2024 at the Love Papua Centre Building in Pasir Putih.

This Children's Christmas celebration taught the children about the true meaning of Christmas. Joy, laughter, praise, and dance filled the entire celebration from the beginning to the end.

Preaching the Word of God with use of a puppet show 'Kiko' allowed the children to be so focused. The enthusiasm of the children can be seen with all smiles on their faces. The Love Papua Center team ministered to approximately 451 children at the Children's Christmas Celebration.

Not only 'Kiko', but Rev Dr Suzette Hattingh's presence brought joy to the children. Being a 'mama' to the parents and an 'oma' to the children. To conclude the Children's Christmas Celebration, the Love Papua Center team distributed Christmas gifts to the children.

May the Word of God that is sown not return in vain but take root, grow, and bear fruit in every heart that receives it.

CHRISTMAS CELEBRATION OF SD Inpres 34 Meniy (ELEMENTARY SCHOOL)

The Love Papua Centre team was invited to the Christmas celebration of SD. Inpres 34 Meniy (the Elementary School of Inpres 34 Meniy).

Preparing from early morning, the team travelled from Manokwari City to Subsai. With great joy, the team moved with the guidance from the Holy Spirit.

Friendly smiles and happy laughter from the children warmly welcomed the team. Gathered in two rooms combined into one, the event was lively. The opportunity to serve wonderful children is priceless. Leading them in praise and sharing the Word of God taken from Luke 2:15b.

Moreover, this programme also invited the beautiful children of this school to give their best to God through dances. Serving God together is a beautiful thing. As many as 112 students attended the Christmas service today.

Praise be to God for all of God's provision and protection. All praise and glory be to God!

PRISON CHRISTMAS CELEBRATION 2024

In the love of Christ, the Love Papua Center team ministered at the Christmas Celebration Service at the Manokwari class IIB Correctional Institution.

A peaceful atmosphere coloured the Oikumene meeting with 256 prisoners. The meeting at the Manokwari class IIB Correctional Institution was filled with joy and praise from a group of singers and Choir.

With great compassion, Rev. Dr Suzette Hattingh shared the Christmas message for the inmates and detainees at the Manokwari IIB Correctional Institution. Taken from John 3:15-18, the Christmas message told that there is a prison that is much worse, which is the 'Prison of the Heart'.

The key to our 'Prison of Hearts' was held by Lucifer, but only one person can break our 'Prison of Hearts', and that is Jesus Christ. If we are willing to give our "Prison of Hearts" to Jesus, He will set us free from all anger, hatred, disappointment and pain.

Christmas is not just about the birth of the baby Jesus but more than that, Christmas is the coming of Christ in our hearts to deliver us from all forms of bondage that bind our hearts in the 'Prison of the Heart'.

Jesus came into the world, so that all human beings could be free from the bondage of sin and experience true freedom.

THANK YOU

We would like to extend our gratitude
to the Love Papua Center partners
who continue to believe and faithfully sow and
support the outreach ministry in West Papua.

Together for the harvest
